### Complaints Handling Procedure - Quarterly Report 3 Period 1st February 2018 - 30th April 2018

#### **Analysis of Complaints**

Complaints are an important source of feedback on the quality of our services and, as such, we welcome them and use them as a basis for improvement across the organisation.

The total number of complaints received for Quarter 3 in 2017/18 is 40, which is up by 20 with the same time last academic year where 20 complaints were received. There were no identifiable trends in terms of department. The department that received the highest number of complaints were Hairdressing (4) and Childcare (4)closely followed by Electrical, Electronic and Petroleum (3), Sport and Fitness (3), SPS (3) and Supported Programmes (3). The remaining complaints were split fairly evenly across various curriculum and professional services.

The highest number of complaints were made by students from St. Brycedale Campus (15) closely followed by Stenton Campus (12) then Halbeath Campus (6). Complaints were also made by students from Levenmouth Campus (3), SPS Learning Centres (3), and one was received where this information was not supplied.
